Dear Tanner,

As a key stakeholder in the future of Downtown Los Angeles, I invite you to participate in our **Innovate DTLA Leadership Symposium** on June 22nd from 8:30-11:00am at **WeWork** in the **Gas Company Tower**.

This event will launch the DCBID's [**Innovate DTLA**](#) initiative to promote Downtown Los Angeles as a place of innovation and creativity, support its innovation ecosystem, and attract new organizations and individuals to DTLA. Innovate DTLA is a collaboration with the Brookings Institution's [Bass Initiative for Innovation & Placemaking](#) (a partnership with [Project for Public Spaces](#)).

The symposium will feature Bruce Katz, Brookings Centennial Scholar and author of [The Rise of Urban Innovation Districts](#), Fred Kent, founder of Project for Public Spaces, and leaders of Downtown's business, tech, creative, real estate, government, non-profit and educational communities.
